

# LIMOC August Newsletter 2009

Happy birthday mini, this month 50 years ago (I remember it well), mini was released to the public.

We have not been back from Cornwall (Wet) for long, and this week we head for Matt's Land of Norfolk for a long weekend, then only another week and its Stamford Hall, where has the year gone! So Di and I won't be at the monthly meeting on Sunday, and won't see you till Stamford Hall. Those who want to travel down together, we will be meeting on Sunday 13<sup>th</sup> at 8am at Grantham Market place, so be there or be square.

Still mad that we missed the IMM, if anyone can let us know how it went, and I will let the other members know.

Thanks to Ryan Shaw the WEB site is back up and running, why don't you visit – [www.lincs-minis.co.uk](http://www.lincs-minis.co.uk) it's your club, thanks again Ryan.

Not much more to say this month, only my computer did the dirty on me, lost all my programmes, photos etc, so I'm having to rebuild my email address book back up, so any member who wants their newsletter emailed to them, please send ME an email so I can update my records.

([john.drew52@teso.net](mailto:john.drew52@teso.net)) Just proves you need to back up regularly. I haven't done for months, tardy I know, but when you get 100 emails a day, it can be a pain.

We will be at the September meeting and intend to have a RUN, see next news letter for details.

See you soon JD - DD (save your stamp, it may be worth something in years to come).
